functional mirrors Details

A true eye-catcher

functional mirror S15 and S16

Innovative mirror switch to make using the various lighting levels easier, and a practical USB connection. Both the S15 and S16 functional mirrors are fitted with this mirror switch. The S16 functional mirrors are also equipped with glass shelves for your bathroom accessories - not just practical, but an eye-catcher too.

LED effect light and touch sensor

functional mirror S17 and S21

With all-round LED effect light, incl. touch sensor. The sensors responds to light touches with a finger, providing a convenient way of switching on the light and enveloping the bathroom in a pleasant lighting atmosphere.

Innovative lighting provided by LEDplus

functional mirror S20

with LEDplus top lights. An innovative mode of lighting with colour temperature variation that is controlled by touching the sensor switch.

Holding the button down for longer adjusts the brightness.

Universal functional mirrors without glass shelf

functional mirror

on carrier plate for 1 top light
incl. LED effect lighting
12V LED, LM LED, 2 x 4W, 1 x 3W
with touch switch fitted centrally on underside
